Dear Irene

received your very  
welcome letter a few days  
ago was pleased to hear from  
you, Thanks for coming  
to the rescue, on Myrtle  
H. Bill, I was somewhat  
worried as to how I was  
going to pay it, I wrote  
them and told them  
I would pay by the first  
of the month, also had  
sent Dorothy some money  
to pay the medicine  
bill but I don't know  
if she paid it or not  
as I got their bill after  
I had sent her the money

C

you can find out before  
you pay it all, Will  
Myrtle has gone back  
again, <sup>mamma</sup> mother thought  
she had better go, so  
she wouldn't get so  
far behind, she seemed  
to be getting along with  
her car all right, we  
need some one here at  
home, but will try and  
get along this week  
yet, Do you think you  
could fix your budget  
so as to pay for a girl  
for a while, I can pay  
the Dr. Bill all right, we  
can get rare freeze

any time now, I think,  
don't know what she  
would charge, but she  
was real easy the last  
time we had her, Will  
it interest you to know  
that the car I got is  
just a dandy, it works  
fine, will be able to take  
this whole family any  
where now, as there is  
lots more room than  
was in the old Fiat  
and Power, well wait  
till you see it perform  
I may come down and  
get you when your  
school is out if you

better than one can of  
cream a week, Hens

the price \$18 cents a
