Dear Daughter

We received your
most welcome letter. Pleased
to hear you are both well
and getting along so good.
and say there was not
any danger of any body
getting sun - struck
The past few days
14 below here this morning
but back to zero tonight
hope it warms up by
morning as I want to
go to town, to get some
screening for the chickens.
Prue over

(2)
New "yes" something got
wrong with three of our
Henke to day they layed one
whole egg a piece, I think
by tomorrow there good for
two a piece as I gave them
some real water and fed
them twice to day, that
ought to keep them from getting
sore sick don't you think,
we are habing a hard time
here with sore throats but
it it Dink, then Dink
again then Peter for four
or five days got him over
it all right then baby got
sick something got wrong
with her stomach she
was real bad went into
convulsions but only had
one, thank God, she had
a cold now and sore throat
too, so has Marie and

lastly but ^{not} leastly
I notice Paul Porter
with a sock around
his neck tonight so
I hope his turn is
tomorrow Myrtle may
carry ^{them} is I think
the last of them will

on the list of next.
^{I hope not}
Of this letter scanner long
and abridge just lay
it away ^{try} read it
before any after meals
it won't be so hard to
understand
over on Sunday collection
